MEETING DATE: April 16, 2024 ITEM NO: 8.D.

TITLE: Discussion and possible action on purchase of Safety Equipment for special events

**ISSUE SUMMARY:** We are requesting to purchase additional security equipment for our officers to utilize during our special events. This equipment will replace existing equipment used by the Department. We currently assign several officers security equipment that they carry in backpacks while on foot patrol within the festival footprint. The current equipment that is placed in the bags adds approximately 25lbs to their vest and duty belt which increases their already heavy load. With the heavy loads and the patrol shifts downtown being ten hours or more in length, sometimes in hot weather, we are concerned about fatigue within our officers. This places undue risk to our officers and the public. The new pieces of safety equipment we are requesting to purchase are lighter and easier to carry. With a lighter load our officers will be better able to respond to active threat situations. This is vital to our security plan for all events within our City.

**STAFF RECOMMENDATION:** We are proposing to use \$11,500 from the sale of one of our old squad cars to purchase the equipment. This amount would pay for the equipment, training supplies for the initial training on the equipment and four backpacks to carry the equipment in.

BOARD, COMMISSION OR COMMITTEE RECOMMENDATION: None.

**BUDGETARY IMPACT:** No impact. Use of unbudgeted revenue.

**ATTACHMENTS:** None

Re: City Attorney Services Agreement

Dear Mikko:

As discussed, my current appointment as City Attorney runs through April 30, 2024. I have provided, with this letter, a new proposed attorney services Agreement for the time period of May 1, 2024, through April 30, 2027. For continuity, you will see that this Agreement is identical to my prior agreement, with the exception of the hourly and meeting attendance rates.

Please note that we always charge the <u>lower of</u> our hourly rate or the set rate (\$470.00 for 2024) for attendance at City Council meetings. In other words, I will charge my hourly rate to attend a Council meeting, but it is capped at a maximum of \$470.00 for that meeting.

As always, I want to thank you and the City Council for this opportunity. Given the number of municipal attorneys in our firm, and the number of municipalities that we represent, this office prides itself on being able to offer efficiency of size to clients. For this reason, we believe that we can handle municipal legal issues efficiently, thus keeping the fees to the City as low as possible.

Thank you, again, and please contact me if you have any questions or concerns regarding the terms of this Agreement.

Very truly yours,

HOUSEMAN & FEIND, LLP
